

ONLINE AD CREATION

GETTING STARTED

1. Go to www.yearbookordercenter.com
2. Enter your school's order number OR search for your school by name.
3. Verify that your school is correct and click continue.
4. Click **Buy a Yearbook Ad**.
5. Choose your ad size/type (Click **Yearbook Ad Template Configurations** for an additional guide to template size options).
6. Select your size > click **Buy Ad for Student or Business** and proceed to search for your student's name or add them if they aren't on the list.
7. Select your student > Ad Type Selection (Some schools offer Online Ad Creation or School Ad Creation — If this is your school's case, choose the option you wish to purchase.)
8. Click **Next** > Log in with your credentials or create a new account.

CREATE

Once logged in, choose a template for your student's ad. The template will open in the product design area where you can begin creating the ad. (*Not all background colors, fonts and templates available at all schools.*)

BACKGROUND

- Change the background color of the ad under the **Background** tab.

STUDENT NAME

- Insert your student's name by selecting the **Student Name** text box.
- Change font, font color, font size and other text specifics by using the controls to the left of the template.
- Use the arrow controls or the hand button to move the Student Name around the template.

MESSAGE

- Insert your own personalized text by selecting the message box.
- Change font, font color, font size and other text specifics by using the controls to the left of the template.
- Use the arrow controls or the hand button to move your message around on the template.
- Change the size of the text box, if you choose, by clicking and dragging the anchors around the text box.

Once you start creating your ad, a help box will pop up. You can choose to hide this if you wish.
